## **Workers Compensation Fraud Hurts Everyone!**

- It's against the law – Cheaters can be fined or go to jail!
- It impairs your employer's ability to compete in the marketplace by affecting insurance rates, salaries, and jobs!

### **If you suspect fraud, call the hotline!**

- Workers compensation pays your medical bills and other expenses and replaces part of your salary if you are injured while working.
- Key Risk will pay what's due to injured workers, but is dedicated to reducing fraud to help control costs for your employer and protect your job.
