FOR IMMEDIATE RELEASE

Key Risk Provides Support to A Simple Gesture in Response to COVID-19

GREENSBORO, NC, October 16, 2020 – Key Risk (a Berkley Company), a leading provider of workers compensation insurance products and services for employers throughout the United States, today announced an estimated fundraising contribution of over 5,300 pounds of food in support of A Simple Gesture – Greensboro/Guilford County.

Key Risk is proud to support A Simple Gesture, a food collection program that provides a steady supply of food to local food banks in the Greensboro/High Point area, which ranked #14 on The Food Research & Action Center's most recent national list for food hardship. In the wake of the coronavirus pandemic and school closures, these numbers have worsened leaving many children and families in need of access to nutritious meals.

“Corporate responsibility is a core value at Key Risk and our associates are honored to partner with A Simple Gesture in their fight against hunger.” said Scott Holbrook, president of Key Risk. “We understand that the COVID-19 pandemic has increased demand for A Simple Gesture’s services and more importantly, their need for support from the community.”

Funds were raised virtually by associates and business partners with an additional contribution through the W. R. Berkley Corporation Charitable Foundation at the request of Key Risk. The food will be distributed to local food banks and pantries in the Greensboro/High Point area.

ABOUT KEY RISK:

Key Risk (a Berkley Company) delivers innovative and responsive workers compensation solutions that provide clients the freedom to do what they do best. For more than 30 years, Key Risk has focused exclusively on workers compensation solutions for a variety of industries with operations based in the Eastern United States including a focus on healthcare and human services.
