Risk Management

Focused on prevention, client services and risk management resources are tailored to meet the individual needs of each employer. This includes access to expertise, training resources and more than 600 online safety videos.

VirtualMD+

When an accident occurs, employers can immediately connect an injured worker with an emergency trained physician for care and treatment within minutes.

Claim Management

Responsiveness matters! Employers receive proactive claim handling and our commitment to returning injured workers to a healthy and productive lifestyle.

Outcome-Based Provider Network

Delivering employers with medical savings well above the industry average.

24/7 Claim Access, Reporting & Information

Check out our online client portal to report claims, view existing claim information and access training materials & resources. Our client service call center and telemedicine program are also always available for claim reporting and immediate treatment.

Flexible Payment Options

Pay Online is available to schedule recurring payments or make a one-time payment. For employers with fluctuating payrolls, PremiumSync® provides a pay-as-you-go solution for managing their program.
